The dawn of the last decade saw the rising of a star in the horizon called GIRISH, which has since then made millions of homes shine. GIRISH, using state-of-the-art machinery and incorporating the highest level of technology manufactures a range of products like switches, wires, modulars and MCBs.

At GIRISH we recognize and embrace our responsibility to adhere to strong business ethics, to act responsibly towards the environment and support the communities in which we conduct our business. Simply put we are driven by our desire "to do the right thing". GIRISH has built a reputation for commercial foresight and solid integrity. Tested and supervised by experienced engineers in sophisticated labs, Girish has earned a name for themselves in the Indian market.
